

8) Respond to the following statement:

Because of the new SKYWARN group, the Des Moines County residents are:

- Safer
- No more safe than they were before
- Less safe

9) What other equipment do you feel you need?

10) Is the manual you have been provided beneficial to you?

- Yes
- No

11) Are the weekly radio tests beneficial to you?

- Yes
- No

12) Is Wednesday a good day for the weekly radio check?

- Yes
- No

If not, suggested day of the week: _____

13) Are you interested in an expanded role in emergency response? (There is formalized federally developed program, called Citizen Corp, that includes education about disaster preparedness and training in basic disaster response skills, such as fire safety, light search and rescue, and disaster medical operations. Once completed you can use your training to assist others in your neighborhood or workplace following an event and can take a more active role in preparing their community.)

- Yes
- No
- Maybe

14) Would you be interested in a federally designed course called Hazardous Weather and Flood Preparedness? The course covers how the basic elements of weather can combine to create potential hazards in an area, weather forecast products and how to interpret them, and anticipating hazardous weather for planning, warning, and response purposes.

- Yes
- No
- Maybe
